

Lefkos Papapetrou

Profile

Extremely ambitious front end developer. I love challenging problem solving and coming up with creative ideas. Seeking first-hand experience to the things I am passionate about. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team.

Employment History

Sales Assistant, Hennes & Mauritz AB (H&M), Nicosia

FEBRUARY 2019 — AUGUST 2020

Restocked, arranged and organized merchandise in front lanes to drive product sales. Helped customers complete purchases, locate items and join reward programs to promote loyalty, satisfaction and sales numbers.

Owner, PrimoThePlug

SEPTEMBER 2018 — SEPTEMBER 2021

Created and run my own e-shop. Handled stock and price changes daily. Was operating 3 Social Media pages for the store with daily content. Used super-targeted Facebook ads strategies to increase sales. Managed partnerships and strategic business relationships, including negotiating contract terms and handling conflicts.

Education

ReactJS, Udemy

Learned the fundamentals about props and hooks, currently learning more about React Router and Redux

HTML & CSS, Udemy

Learned the fundamentals of HTML and CSS first. Then learned about CSS layouts such as Flexbox and CSS Grid. Also learned about components, web design rules and layout patterns. Lastly learned how to implement Responsive Designs.

JavaScript Course, Udemy

Learned the fundamentals of JavaScript first such as Data Structures, Modern Operators, Functions and Arrays. Then learned Advanced DOM Manipulation and Events. Took a deep dive into Object-Oriented Programming and Asynchronous JavaScript. Also learned about Modules and Tooling.

Certifications

IGCSE, Grade A

NOVEMBER 2016

ECDL

MARCH 2016
